

SUMMIT SLAM

CHARITY DODGEBALL TOURNAMENT

Safety First. Fun Always!

Starting the Game:

- Start on the line. When the whistle blows, run up, grab a ball, run back to the line, and then start throwing.

Stay Behind the Line:

- Do not cross the middle line. If you do, you're out!

Blocking with a Ball:

- You can use a ball to block incoming throws. If you drop the ball while blocking, you're still in the game.

Multiple Hits:

- If a ball hits multiple people, they're all out!

Head Safety:

- Aiming for the head is strictly prohibited... but accidents happen! If you get hit in the head, you're not out. It's not personal, just a part of the game! We'll stop to make sure you're okay.

Catching the Ball:

- If you catch a ball, the thrower is out and you get to bring someone back in. The returning player can't be hit until they touch the back line.

Teammates Save the Day:

- If a ball hits a teammate and another teammate catches it, the thrower is out, and someone on your team gets to come back in.

Direct Hits Count:

- The ball must hit you directly to count. If it hits the ground or another ball first, you're safe.

Final Countdown:

- If there's one player left on one side, a 60-second timer starts to keep the game moving. The timer stops if they bring someone back in.

Tournament Timing:

- The facilitator will keep the tournament moving smoothly. When needed, the facilitator will start a countdown clock and announce it. The team with the most players left at the end of the countdown moves on to the next round.

Remember, the goal is to raise money for charity,
have fun, stay active, and be safe!
